

PIGTAILS ON REQUEST

Pigtails - Flexible Hoses - Swivel Connectors

PDF FILE

Description

- Pigtails for lab applications or gas control applications,
- Copper pigtails,
- Copper toggle mechanism,
- Any design on request.

Working Conditions

- Industrial gases: O₂, H₂; rare gases, inert gases and gas mixes, other fluid on request
- Medical gases: O₂, N₂O, air and mixes...
- Working pressure : from vacuum up to 420 bar, higher pressures on request
- Working temperature range: -40°C/+80°C

Technical Data

- Nominal diameter : 3 to 12.7 mm,
- Material : stainless steel or copper.

Connections

- Bolt
- Filling ,connector,
- 3 pieces connector.
